Weekend Trucker — ETS2 Load Order

Euro Truck Simulator 2 (v1.61) · 141 mods · top = highest priority

My own working setup — Life without ProMods

Set your mod manager to this exact order — the mod at the top of this list goes at the top of your Active Mods, down to the maps at the bottom. You do NOT need every mod here; skip any you don't want and keep the rest in the same order. Click Download on each to get it (see the mods directory for full details).

NOTES

a few of these have no public download page

Jam Freight Skins (Mike's own) — no public download page found. It's in my setup but you can skip it; nothing else depends on it.

IVECO Strator — no public download page found. It's in my setup but you can skip it; nothing else depends on it.
